

RIDE SHARING INSTRUCTIONS

In order to facilitate ride sharing for the Benefit, please use the calendar on the ZB Yahoo Study Group website to post your need for sharing a ride and your ability to provide a ride to the Benefit. We are asking you to make your own arrangements directly with one another and this can be easily accomplished by including all the requested information, including phone #'s and email addresses.

We appreciate your participation in this process so that everyone planning to attend can arrive and depart in confidence and safety. Please see the instructions below for adding your arrival and departure dates to the calendar.

We look forward to seeing you all soon!
