The 16th Annual Benefit and 90th Birthday celebration for Fritz that was held at Miramonte Resort in California was a HUGE success! We had 110 people attend the benefit and over 130 people helped celebrate Fritz's 90th birthday. Friday night there was a talent show with an amazing array of skits, songs, poems, and dances. The birthday bash included some wonderful tributes to our founder, more singing and alot of cutting loose on the dance floor. What a fantastic time everyone had!

Fritz appreciated everyone who came to celebrate his birthday – and he invited everyone back for the celebration of his 95th!!

**Mark your calendars for next year's Benefit:**

## Tidbits from the Talent Show

At the talent show in California long time

certified Zero Balancer Guy Hollyday shared – with perfect delivery – the following poem which he wrote:

*There was a young fellow named Fritz  
Who gave massage therapists fits  
Where they would sweat and stroke  
He'd just use a poke  
The fulcrum – Archimedes' hobby  
Never used on the body  
FRITZ our corporeal hero  
Will balance us all to zero*

---

Morgan Rivers, certified Zero Balancer and acupuncturist from Iowa, entertained us with an epic saga full of Zero Balancing lingo and images. Enjoy!
